MATHEMATICS NEWSLETTER

Mathematics Newsletter is a quarterly journal published in March, June, September and December of each year. The first issue of any new volume is published in June.

Mathematics Newsletter welcomes from its readers

- ◆ Expository articles in mathematics typed in LaTeX or Microsoft Word;
- ◆ Information on forthcoming meetings, seminars, workshops and conferences in mathematics and reports on those which were recently concluded;
- ◆ Mathematical puzzles and problems addressed to the readership of the *Newsletter*;
- ◆ Solutions to mathematical problems that have appeared in the *Newsletter* and comments on the solutions;
- ◆ Brief reports on the mathematical activities at their departments that might be of interest to the readership of the *Newsletter*;
- ◆ Information about faculty positions and scholarships;
- ◆ Abstracts (each not exceeding one page) of recent Ph.D. theses;
- ◆ Descriptions of recently-published books written by them; and
- ◆ Any other items that might be of interest to the mathematical community.

Readers are requested not to submit regular research articles for publication in the *Mathematics Newsletter*. The *Newsletter* is not the forum for such articles. Instead, the *Newsletter* looks for expository articles that are consciously written in a style that would make them accessible to a broad mathematical readership.
